THE HAGUE, THE NETHERLANDS ADVISING GUIDE (SEMESTER)

The USAC program in the Hague is a Partnership program where you will be enrolled at and receive a transcript directly from the host university. USAC will assist in transferring those international credits back to UNR. Courses are subject to availability and approval of prerequisites, which are determined by the host university.

You will have access to courses offered in the following departments and disciplines. It is recommended that you get any courses you wish to take abroad pre-approved by your academic advisor—to request course descriptions or syllabi to assist with this process, email syllabus@usac.edu.

THE HAGUE UNIVERSITY OF APPLIED SCIENCES AREAS OF STUDY

**Required for all students:** *Introduction to Dutch Culture and Society*

**Other courses may be selected from the following disciplines**
- Business Management
- Communication Management
- Culture and Society
- Law, Politics, and Administration
- Modern Foreign Languages

SPECIAL PROJECT-BASED ACADEMIC OPPORTUNITIES

**Project “Europe 21”**
Taught in the second term of the fall semester for approximately eight ECTS (four US credits), “Europe 21” is an intensive and practical six-week project. Teams of five to six students work on a realistic assignment set by an outside international organization. Each project is unique to that group and is graded by a committee of faculty/staff and external representatives.

**The Hague Summit +20**
Introduces you to arguably one of the most urgent questions of 21st century modern society—how to sustain an acceptable level of wealth for over 7 billion people on our finite planet. Guest lectures, group work, self-study, and individual research will combine to expose students to the concept of sustainable development and to develop an appreciation of the difficulty of international cross-stakeholder decision making.

The Hague Summit is usually offered during the fall semester only, and students will earn 5 ECTS (2.5 US credits) upon successful completion.
