Interested in making world changing partnerships with Africa's next generation of business leaders?
SHARE IDEAS, MAKE CONNECTIONS
WITH THE
2018 MANDELA WASHINGTON FELLOWS

Are you interested in meeting international business leaders and entrepreneurs? Do you want to learn more about the continent of Africa and its vast landscape, cultures, and people? If so, the Northern Nevada International Center wants to invite you to consider being a Peer Collaborator for the 2018 Mandela Washington Fellowship Program!

As a Peer Collaborator, you will develop a relationship with a Mandela Washington Fellow while they are in Reno from June 26th through July 30th, 2018. Ideally, Peer Collaborators and Fellows will meet approximately once a week during the six-week program at University of Nevada, Reno. Meeting times, locations, and activities will vary depending on your schedule and the schedule of the Fellow. Some ideas for meetings include attending networking events, meeting for coffee, sharing a meal, and attending cultural events.

Mandela Washington Fellows are early to mid-career professionals between the ages of 25 and 35 who hail from 49 countries across sub-Saharan Africa. The Mandela Washington Fellowship for Young African Leaders is the flagship program of the Young African Leaders Initiative (YALI). Through this initiative, Africa’s brightest young leaders in the business, civic, and public sectors spend six weeks in residence at U.S. colleges and universities to connect with Americans and deepen their knowledge of business and entrepreneurship, civic leadership, and public management.

Please contact Megan Maher at (775) 784-7515 x 230 or mmaher@nnic.org to learn more about becoming a Peer Collaborator.
