# IN CASE OF EMERGENCY

## CALL 911

### PERSONAL SAFETY
- If you know you are going to be studying/working late on campus, plan ahead as to how you get home safely (e.g., carpool, use Campus Escort Service).
- Don't distract yourself with music players or cell phones while walking at night.
- Remember to lock doors and windows.

### THUNDERSTORM OR FLOOD
- During a storm, seek shelter indoors away from windows.
- Do not go outside until the storm passes.
- If major flooding from a storm or broken pipe occurs, call Facilities Services (775) 784-8020.

### EARTHQUAKE
- Duck, cover and hold: Take shelter under a desk, table, in a doorway or similar place.
- After the earthquake, gather personal belongings and evacuate the building.
- Report any safety hazards to emergency personnel.

### WORKPLACE/CLASSROOM VIOLENCE
- Call 911.
- If possible, leave the area.
- Close and lock doors and windows.
- Seek shelter in an inconspicuous location such as a closet or under a desk.

### MENACING OR CRIMINAL BEHAVIOR
- If you encounter a potentially dangerous person, call 911.
- If possible, leave the area.
- Alert others in the area to the situation.

### BUILDING EVACUATION
- Close all windows and doors and walk to the nearest exit.
- Alert others as you exit the building.
- Do not use elevators.
- Go to a location at least 100 feet from the building.

### FIRE
- Activate a fire alarm and/or call 911.
- Close all windows and doors and walk to the nearest exit.
- Exit the building using the stairs and not the elevator.

### HAZARDOUS MATERIAL RELEASE
- Stop the release if safe to do so. Warn others in immediate area.
- Check yourself (and then others) for exposure: use eyewash/safety shower and undress as necessary.
- Call Environmental Health & Safety 327-5040 and 911 (in case of fire or personal injury).
- Isolate the contaminated area by limiting access.
- Leave the immediate area.

### PERSONAL INJURY OR MEDICAL EMERGENCY
- Call 911.
- Do not move the victim unless necessary.
- Report injuries to your department.
- Call National Suicide Prevention Lifeline (800) 273-TALK.

### POWER/NATURAL GAS
- If you experience a power outage, notify Facilities Management: (775) 784-8020.
- If you suspect a natural gas leak, notify Facilities Services: (775) 784-8020.
- If evacuation is necessary, exit the building using the stairs.
