- Use a variety of tools from hand and gas powered wire rollers, post jacks, hand tools, cutting torch, and fire safety tools.
- Be digging, lifting, carrying, hiking traveling by foot, truck, or ATV over rugged terrain.
- Help manage volunteers during stewardship events.
- Work as agents of both Friends of Nevada Wilderness and the Fish and Wildlife Services when dealing with visitors and volunteers and must represent both in a positive way.

Basic Qualifications:
- 18 or older
- US citizen or equivalent
- High School Diploma/GED
- Ability to hike for up to eight miles with a 30-pound pack
- Ability to live and work in rugged conditions with extreme temperature variations
- Responsible for maintaining a clean and healthy living environment
- Responsible for safe use and maintenance of tools, equipment and vehicles
- Ability to work as part of a team with safety as a primary concern
- Ability to live and maintain a working relationship with a team when living in a remote area with limited outside communication
- Organizational skills
- Responsible for data collection and basic computer literacy
- Photography skills
- Ability to look and act in a professional manner, including uniform (provided), grooming and hygiene
- A doctor’s medical release is required
