### Overview
The department is responsible for the planning, construction, operation and maintenance of the 5,400 miles of highway and over 1,000 bridges which make up the state highway system. The department is divided into three districts, with a district engineer and assistant engineers in each. The districts are responsible for supervising all state transportation activities within their local areas. NDOT's headquarters building is located in Carson City, with the three main district offices located in Las Vegas, Reno and Elko. Major maintenance stations are in Ely, Tonopah and Winnemucca.

### Majors Seeking:
- Biology
- Chemical Engineering
- Chemistry
- Civil Engineering
- Computer Science and Engineering
- Electrical Engineering
- Engineering Physics
- Environmental Engineering
- Environmental Science
- Geography
- Geological Engineering
- Geology
- Geophysics
- Hydrogeology
- Hydrology
- Materials Science and Engineering
- Mechanical Engineering
- Metallurgical Engineering
- Mining Engineering
- Natural Resources
- Rangeland Ecology and Management

### What level(s) are you seeking?:
- Undergraduate
- Masters
- Ph.D.

### What types of positions are you looking for? (check all that apply):
- Part-Time
- Full-Time
- Internships

### Is your organization interested in international student applicants?:
- Yes

### Industry:
- 48-49 - Transportation and Warehousing
