Nevada Division of Forestry

Website Address: http://www.forestry.nv.gov/

Overview. Please provide a brief description and/or history of your organization.: Nevada Division of Forestry (NDF) is a State agency within the Department of Conservation and Natural Resources. Federally supported State level forestry in Nevada began in earnest in 1931, the State Forester/Firewarden position was created in 1957 along with the Division in which he was put in charge. From that day forward, NDF has been evolving to meet the demands of Nevada's citizens, landowners, and natural resources.

The mission of NDF is to restore and sustain healthy forests, rangelands, watersheds and habitat throughout Nevada using the tenets of the National Cohesive Strategy in a collaborative stakeholder process. NDF provides professional, science based technical support, “can-do” ground forces, and leadership in Natural Resource Management and Wildland Fire Services. NDF supports public and private landowners that are willing to make investments to create healthy forests, rangelands, watersheds, habitats and fire-adapted communities. It is NDF aim to facilitate a culture shift where wildland fire is part of our natural ecosystem and people learn to live with fire.
