

## Support Group for Partners of Gay, Lesbian, Transgender People

This group is for partners and spouses of gay, lesbian, and transgender people. We will share the ups and downs of partner's coming out and help navigate together the new dynamics of each relationship. The group will be a confidential and safe place to talk about your feelings and needs as your relationship finds new footing.

Facilitators: Mary Minten MFT and Chris Dietrich MFT-Intern

Thursdays Every Other Week  
5:00pm-6:30pm
