**Additional Information**

Formal Recruitment is the Panhellenic community's annual process that allows prospective members to see what we are all about. Sorority recruitment is roughly a week-long period that is governed by the University of Nevada's Panhellenic Council. During this time you will attend a series of events where you will learn about each sorority and what they represent. They will educate you on their chapters philanthropic ideals, academic standards and sisterly bond. In this process you will be able to meet all of the participating Panhellenic chapters.

For examples on what to wear for each night please refer to the Nevada Panhellenic Pinterest page at pinterest.com/nvpanhellenic.

Follow Nevada Panhellenic twitter for up-to-date information on all Nevada Greek events @nvpanhellenic and on Instagram at nvpanhellenic.
