Great Basin Hall Eligible Majors & Minors
STEM (Science, Technology, Engineering, & Mathematics)

College of Agriculture, Biotechnology and Natural Resources
- Agricultural Science
- Biochemistry and Molecular Biology
- Biotechnology
- Ecohydrology
- Environmental Science
- Forest Management and Ecology
- Nutrition
- Rangeland Ecology and Management
- Veterinary Science
- Wildlife Ecology and Conservation

College of Engineering
- Batteries and Energy Storage Technologies
- Biomedical Engineering
- Chemical Engineering
- Civil and Environmental Engineering
- Computer Science and Engineering
- Cybersecurity
- Digital Interactive Games
- Electrical Engineering
- Engineering Physics
- Extractive Metallurgy
- Materials Science and Engineering
- Mechanical Engineering
- Nanotechnology
- Renewable Energy
- Unmanned Autonomous Systems (UAS)

College of Science
- Atmospheric Science
- Biology
- Chemistry
- Geography
- Geological Engineering
- Geology
- Geophysics
- Hydrogeology
- Mathematics
- Metallurgical Engineering
- Mining Engineering
- Molecular Microbiology and Immunology
- Neuroscience
- Physics
- Statistics and Data Science

Division of Health Sciences
- Addiction Treatment
- Community Health Sciences
- Gerontology
- Molecular Microbiology and Immunology
- Nursing
- Speech Pathology

If you do not see your STEM major or minor on the list and are interested in living in Great Basin Hall, please contact Peter Gatto, the Assistant Director for Academic Initiatives, at pgatto@unr.edu or 775-784-1113.
