Dear Nevada Student,

We need to hear from you on the topic of Sexual Conduct and Campus Safety. Your safety at the University of Nevada, Reno is a top priority, and to create a safer campus community, we need your help. We are interested in your attitudes, as well as what you have generally observed regarding the sexual conduct of your peers, faculty and staff at Nevada.

The survey takes no more than 10 minutes and will provide us with valuable feedback, which will help ensure the quality of our future services to the UNR campus community. We will be sharing our findings from this survey during a series of “campus dialogue” events in February where we will also present what we are doing to serve our pack.

Please take a moment to complete the survey by clicking on the link or cutting and pasting the URL into your internet browser. Participation is strictly confidential; your answers will not be linked to your identity.

Thank you in advance for your time and cooperation. Your thoughts and opinions will make an immediate impact in creating a safer culture on our campus.

Sincerely,

Marc Johnson,
President, University of Nevada, Reno
