IMPORTANT ACC NOTES

- Each International Business major is comprised of two components: a Regional Track (which requires Foreign Language competency), and a Concentration (a specific skillset within Business).
- Visit www.unr.edu/ib to find the appropriate Advising Sheet for both your Regional Track.
- All IB majors are required to have taken PSC 211 or 231 prior to graduation. For most students, this will have been taken to satisfy your “Second Social Science” requirement.
- Work very closely with your International Business Faculty Advisors – they know the IB details like the back of their hands.

Minor in ACC

- With the addition of IS 201, this concentration fulfills the Minor in Accounting—make sure you fill out a minor declaration form.

Dual Major in IB and ACC

- A dual major in IB and Accounting would require 18 additional credits.
  - IS 201
  - ACC 405
  - ACC 410
  - ACC 470
  - ACC Elective—See ACC Checklist
  - ACC Elective—See ACC Checklist

FOUR SEMESTER – COURSE PLANNING IDEAS

Meet with your Faculty Advisor—Four year plans for IB are too unique to put together a template.

- Courses should be taken in that semester to ensure you are following the proper sequence. If you fall out of sequence, please contact an Advisor as soon as possible.
- Courses not asterisked may be used as alternatives for other semesters—pay attention to MGT 496 Pre-requisites.
- This schedule is contingent on your following the proper path during your first two years.
- If you fall out of the prerequisite sequence, more than likely you will not be eligible to graduate on time. No exceptions will be made!
