ADVISING TAKEAWAYS

- If you take an ECON class for your “International Business” requirement, it can count as an Upper Division ECON Elective as well!
- This schedule is contingent on your following the proper path during your first two years.
- If you fall out of the prerequisite sequence, more than likely you will not be eligible to graduate on time. No exceptions will be made!
- Pay attention to when certain courses are scheduled! Not all classes are offered year round
