This resource is not intended to substitute for Academic Advisement. Students are still encouraged to meet with their advisors, and are ultimately responsible for checking their MyNEVADA Academic Requirements report to ensure all degree and graduation requirements are met. IMPORTANT GEN. BUS NOTES

- The courses listed at the bottom-right portion of the General Business checklists are recommended, but not required.
- This means that you are allowed to take *any* upper-division courses in the respective subject areas listed to fulfill those requirements.
- If you decide to take a different course aside from the ones listed in your General Business class requirements section, they must be approved by an advisor in AB 409, and substitutions must be made before applying to graduate.
- The 9 credit General Business electives requirement is a great opportunity for you to declare a Minor in The College of Business! Instead of taking random Business classes, by declaring a Minor, you would be completing courses that fulfill both Minor and Elective requirements!
