<u>IMPORTANT ECON NOTES</u>	<u>FOUR SEMESTER – COURSE PLANNING IDEAS</u>
<ul style="list-style-type: none"> • Each International Business major is comprised of two components: a Regional Track (which requires Foreign Language competency), and a Concentration (a specific skillset within Business). • Visit www.unr.edu/ib to find the appropriate Advising Sheet for both you Regional Track. • All IB majors are required to have taken PSC 211 or PSC 231 prior to graduation. For most students, this will have been taken to satisfy your “Second Social Science” requirement. • Work very closely with your International Business Faculty Advisors – they know the IB details like the back of their hands. <p style="text-align: center;"><u>ECON Minor</u></p> <p>This concentration fulfills the Minor in Economics — must complete a minor declaration form with an advisor.</p> <p style="text-align: center;"><u>Dual Major in IB and ECON</u></p> <p>A dual major in IB and Economics would require 6-9 additional credits</p> <ul style="list-style-type: none"> • ECON 334 <i>or</i> 442 • ECON 441 • ECON 304—May already be satisfied if taken in IV. 	<p><u>Meet with your Advisor—Four year plans for IB are too unique to put together a template.</u></p> <ul style="list-style-type: none"> • *Courses should be taken in that semester to ensure you are following the proper sequence. If you fall out of sequence, please contact an Advisor as soon as possible. • Courses not asterisked may be used as alternatives for other semesters—<u>pay attention to MGT 496 Prerequisites.</u> • This schedule is contingent on your following the proper path during your first two years. • If you fall out of the prerequisite sequence, more than likely you will not be eligible to graduate on time. No exceptions will be made!
