Internship Site Information

Crisis Call Center is a 24/7/365 crisis and suicide intervention hotline. We have both phone and text lines. Any HDFS intern would answer phone/text lines and help with other projects around the office as needed. As we are 24/7, internship hours are very flexible, however, all interns must go through our 73 hour training.

Students may be dealing with crisis call from Child Protective Service, Elderly Protective Service, Nevada Rural Clinics, UNR clinic (after hours), bullying hot line, substance abuse hotline and of course potential suicide calls. Since the center is a 24/7 crisis center. After training, interns may work anytime their schedule permits.
