Internship Site Information

The Nevada CARES [Consent. Awareness. Relationships. Education for Students] project is based at the University of Nevada, Reno’s (UNR) Center for the Application of Substance Abuse Technologies (CASAT). The project focuses on developing and expanding outreach and education on interpersonal violence to students, faculty, and staff across the UNR campus.

Nevada CARES welcomes motivated students to enhance the marketing, outreach, social media and online presence, and content development of the University’s violence prevention and outreach program. The intern will work directly with the Nevada CARES project coordinator.

Some tasks will be available to complete off site with the majority of tasks taking place on campus at UNR. Hours are flexible. The internship opportunity allows for creativity and space for intern to develop programs that best suit the needs of the University of Nevada, Reno campus.

Internship duties may include:

- Assist in managing peer outreach program students
- Recruit students and target audiences
- Event management and planning
- Produce marketing materials (brochures, flyers, videos, etc.)
- Manage social media presence
- Opportunity to facilitate presentations
- Attend various community meetings

Hours are flexible, as we have many events/outreach events outside of traditional work hours. We are happy to work with students and their unique schedules.
Number of Internships Available: 2

Student Requirements
