Physical Address: 3700 Grant Drive, Reno, NV 89509

Internship Site Information:

7:00am to 6:00pm
The Continuum offers Physical Therapy, Speech Therapy, Occupational Therapy, Early Intervention, Early Head Start Program, ReGenerations Adult Day Club, Home Modification Program and a Lifestyle Fitness Program to benefit the overall wellness of members in our community.

Interns will be involved in the ReGenerations daily exercise program, the intergenerational activities, small projects, one on one time/conversations with members and shadowing the other departments (PT, OT, ST, Early Intervention, Home Modification Program and Early Head Start Program). Students will also create their own project once they have observed the program. Lastly Interns will be participating in all aspects of our different parties/events.

Number of Internships Available: 1

How will student obtain this internship?
