

The Graduate School

# Undergraduate Request for Graduate Study

This is to certify that the below student is scholastically eligible (i.e. GPA of 2.75 or higher) for admission to Graduate Standing and is within **30 credits** of completing the requirements for a bachelor's degree.

Name: \_\_\_\_\_ NSHE ID: \_\_\_\_\_

Student's Overall GPA: \_\_\_\_\_ Graduating Semester and Year: \_\_\_\_\_

**Graduate** courses to be taken during graduating semester:

| Class Number | Class Section | Class Name | Semester and Year | # of Credits |
|--------------|---------------|------------|-------------------|--------------|
|              |               |            |                   |              |
|              |               |            |                   |              |
|              |               |            |                   |              |
|              |               |            |                   |              |
|              |               |            |                   |              |
|              |               |            |                   |              |
|              |               |            |                   |              |
|              |               |            |                   |              |

May not exceed 16 total credits (undergraduate and graduate):

"I understand that I may take 500-700 level courses, that these credits may not apply toward my baccalaureate degree, and that if I do not graduate the same semester in which I take courses, the courses will revert to undergraduate credit if it is available, or be lost if it is not available."
