

College of Engineering Accelerated Bachelor's/Master's Program

Permission requests to register for graduate classes must be submitted **NO LATER** than the first week of the semester of the requested term. This is **NOT** an application for admission to the graduate degree program.

An accelerated bachelor's/master's program allows outstanding University of Nevada, Reno students to obtain both a baccalaureate and a master's degree in an accelerated timeframe. To be eligible you must have completed at least 75 credits toward the bachelor's degree with a 3.2 UNR GPA, which typically occurs at the end of the junior year.

Students may apply for admission to the Graduate School during their senior year. Students must meet all Graduate School and departmental requirements for admission. This may include a GPA and/or GRE requirement. As part of the admission process, students must select a faculty advisor for their program. **Students are not eligible to be admitted to the graduate program until they complete their undergraduate program.**

Name: _____ NSHE #: _____
Email: _____

List the graduate courses that will be used to meet both undergraduate and graduate degree requirements. Students may receive undergraduate aid for completion of graduate courses pre-approved to meet specific undergraduate degree requirements. **Up to 12 graduate credits taken during the student's undergraduate career may be applied towards both the undergraduate and graduate program.** The amount of allowable credits varies by program. See the catalog for details. *If courses change, this form must be resubmitted.*
