## Essay Questions

The information you share through these essays will provide the School of Social Work Faculty with an opportunity to evaluate your readiness for the professional sequence of the BSW program.

**Requirements:** one page per question, 12-point font, 1" margins and a header that includes the number of each essay, your name and the date.

## Code of Ethics-Preamble and Mission ([www.socialworkers.org/pubs/code/default.asp](http://www.socialworkers.org/pubs/code/default.asp))

*The primary mission of the social work profession is to enhance human well-being and help meet the basic human needs of all people, with particular attention to the needs and empowerment of people who are vulnerable, oppressed, and living in poverty... The mission of the social work profession is rooted in a set of core values. These core values, embraced by social workers throughout the profession's history, are the foundation of social work's unique purpose and perspective:*

1. *service*
2. *social justice*
3. *dignity and worth of a person*
4. *importance of human relationship*
5. *integrity*
6. *competence*

1. Please describe your reasons for pursuing a career in social work. Discuss how your professional goals do or do not fit with the profession's mission as described above.
2. Discuss how your personal values and beliefs are or are not compatible with those of the profession as noted above. How will you reconcile any conflict between your personal values and those of the profession?
3. The UNR School of Social Work is committed to providing education for people dedicated to promoting social justice. What social problem most concerns you and how might you address this issue as a BSW prepared social worker?
4. Social workers encounter tremendous diversity in the issues and populations they serve. Identify steps you will take to ensure that you intervene effectively with people from diverse backgrounds?
