Email

Please submit the following items with this application:

1. Attach a two or three page essay discussing how your prior work, volunteer, and educational experiences have prepared you to provide graduate level assistance to the School of Social Work as a research or teaching assistant.
 - a. Be sure to address relevant administrative support, library, teaching and research skills (including knowledge of APA), as well as your own teaching or research interests.
 - b. Include a description of your experience and level of proficiency in using specific computer search engines, word processing systems, and computer software programs.
 - c. Research sometimes offers opportunities to work with diverse cultures and populations. Please describe your experience and interest in working with diverse cultures and populations, including areas of language proficiency.
 - d. Briefly explain how you would benefit from a graduate assistantship.
2. Copy of current resumé.

I affirm that the information provided in this application for the teaching and graduate assistantship, and in any attachment hereto is true and complete. I understand that the School of Social Work will use the information I have provided in reaching a decision. I further understand that if I am accepted as a teaching/graduate assistant and the information provided is found to be false, incomplete, or completed by another, I may be dismissed.
