Carpool Parking Permit Information (Student and Employees)

To purchase a carpool permit, each carpool member must follow these guidelines:

- A carpool consists of two or more members. Carpool spaces may be used only when a vehicle is displaying the proper carpool permit and there are two or more people in the vehicle.
- Members must carpool to the UNR campus at least three times per week to retain carpool permit.
- Carpool permits are non-transferable. Changes to carpool membership must be reported to the Parking and Transportation Services Department. No overnight parking allowed with carpool permits.
- Vehicles must display the appropriate carpool permit to park in the signed carpool areas in the zone designated on the permit. If there are no carpool spaces available, then a regular zone space in the same zone may be used.
- The primary member will receive a carpool permit valid in the carpool spaces Monday through Friday. A Free Friday permit will be issued to the secondary member of the carpool. The Free Friday permit is valid in the zone associated with the carpool permit and is not valid in the Carpool reserved spaces.

Only one permit per person allowed per academic term. The only exception is a motorcycle/moped or a bicycle permit may also be purchased.
