### Criminal Background Check Consent (to be signed by all household members 18+)

The U.S. State Department requires that all hosts 18 + complete a criminal background check for State Department-sponsored Youth Exchange Programs. Please have any household member 18 years of age or older sign and provide a valid, legible email address below. Sterling Talent Solutions, the company that conducts the background checks will send a request to complete a personal, secure electronic profile to each provided. The Northern Nevada International Center never has access to your private information.

I (we) understand that the Northern Nevada International Center and the State Department require me to complete a background check. My information will be entered into a nationwide criminal search. If necessary, I (we) will provide additional information to the Northern Nevada International Center to complete this background check.

I (we) may object to this criminal background check and I (we) may object to providing more information; however, I (we) understand that in doing so, I (we) may become an ineligible home host for any youth program. I (we) may also become ineligible to host if I do not pass this criminal background check.
