

University of Nevada, Reno

Export Control Evaluation for Foreign Workers and Visitors (SP-30)

Date

This form is required for the evaluation of export control regulation compliance for foreign workers and visitors. Submit the completed and signed form to the Office of Sponsored Projects at Mail Stop 0325 or ospadmin@unr.edu. OSP will evaluate to determine if an export license is required. After evaluation, the form will be returned to the department and must be submitted with the visa application paperwork to the Office of International Students and Scholars. For more information about the evaluation process, please contact the Research Compliance Program Manager at 775-784-6360 or mdondanville@unr.edu.

List the foreign companies, organizations or institutions represented by the applicant (if applicable):

Provide a description of what the applicant will be doing at UNR (i.e. job description, areas of research and/or instruction, purpose of visit).

If the applicant will be involved in research at UNR, please complete the following questions. If not, please proceed to Certification.

1. List sponsored project account number(s):
2. Is any technology or technical data that will be released to the applicant subject to publication/dissemination restrictions, confidentiality/non-disclosure agreements, or any other access or export restrictions, beyond a brief review (up to 90 days) for patent protection and/or inadvertent release of confidential/proprietary information?

Yes

No

If yes, please describe:

3. Will any software source code be released to the applicant?

Yes

No

If yes, please describe:

4. List equipment, materials and software that will be used by the applicant. This information will be used to determine the export classification of items and technology, so please be specific.

5. Will the applicant have access to equipment or technology specifically designed or developed for military or space applications?

Yes

No

If yes, please describe:

6. Do you know or have any reason to believe that any item, information, or software to be shared with the applicant will support the design, development, production, stockpiling, or use of a nuclear explosive device, chemical or biological weapons, or missiles?

Yes

No

If yes, please describe:

Certification

I certify, to the best of my knowledge, that the above information is complete and accurate, and that in the event the activity assigned to the applicant is changed from the information provided, I will immediately submit a new Export Control Evaluation for Foreign Workers and Visitors form.
