## Re-Evaluation Using 2020 Income/Benefits

OFFICE USE ONLY

Student Name: \_\_\_\_\_ NSHE ID: \_\_\_\_\_

### SECTION 1: PROCESSING INFORMATION

The 2020-21 and 2021-22 FAFSA's were originally completed using 2018 and 2019 income figures, respectively. If there has been a significant change in income between 2018 or 2019 to 2020, students can request a re-evaluation of financial aid eligibility based on 2020 income figures. **Your 2020 federal income tax return must be completed for this request to be considered.** The re-evaluation will only be approved if approval will make the student eligible for additional funds such as the Pell Grant or Subsidized Direct Loans.

After submission, your documents will be reviewed and a communication will be sent to you with decision details. The Financial Aid Office will submit the changes to one or both of the applicable FAFSA applications (2020-21 and/or 2021-22) that we have on file. Once the changes have been made, you will receive an email notification from FAFSA. **Do not submit any further corrections to FAFSA.** Once the changes are finalized, you will receive a revised offer letter from the University that reflects any new aid eligibility.

### SECTION 2: REQUIRED DOCUMENTATION/INFORMATION

For consideration, you must submit:

- This form, signed and dated
- Your signed 2020 Federal Tax Return **and** all 2020 W-2s
