

NSHE Payment Registration – Overview

The NSHE Payment Registration website was built catered to individuals needing to register with NSHE in order to receive payments. The term “individuals” refers to non-business entities or persons which would not be considered a supplier such as a guest speaker/lecturer, service provider/consultant, student, research participant, etc. A business entity could register in this system but may be directed to continue their registration in Supplier Registration depending on the data submitted.

This website is available at: <https://suppliers.nevada.edu/lite/>

The screenshot shows the NSHE Payment Registration website. At the top, there is a dark blue header with the NSHE logo and the text "NSHE Payment Registration" on the left, and "Register Log in" on the right. Below the header, there is a row of logos for various institutions: CSN (College of Southern Nevada), DRI (Desert Research Institute), GBC (Great Basin College), Nevada State College, TMCC (Truckee Meadows Community College), UNLV, and Western Nevada College. The main content area is a light blue box with the following text: "Welcome to Payment Registration for the Nevada System of Higher Education (NSHE). Registering in this system is required for individuals to receive payments from NSHE." Below this, it says "Click to [Register](#) if you have not previously done so, otherwise proceed to [Log in](#)." and "Questions/comments can be sent to: nshe_supplier_registration@nshe.nevada.edu." At the bottom, there is a footer with links for "Terms of Use", "Privacy Policy", and "Disclaimer", and a copyright notice: "© 2018 University of Nevada, Las Vegas". The page is titled "Home page" in the center.

A first time user must create a new account to use for logging in the system by clicking the Register link.
Note: The credentials created here can also be used to log in to Supplier Registration. If a user creates an account at the Supplier Registration website but does not start a registration there, they are able to submit a registration through NSHE Payment Registration.
