ABOUT ENDOWMENTS AND THE LEGACY THEY CREATE

The next few pages list endowments at Nevada. Like all gifts to the University of Nevada, Reno, endowed gifts contribute to the high quality of education, research and outreach. Endowments are particularly powerful because they deliver a dependable, perpetual source of funding.

Both the University of Nevada, Reno Foundation and the Nevada System of Higher Education Board of Regents manage funds created by our generous alumni, friends and partners. Although the gift is made today, it continues to generate additional funds in perpetuity because the original gift is never spent. The gift is invested and only a portion of the earnings may be used for the donor’s designated wishes for a specific purpose, whether for faculty, student or program support.

Foundation Scholarship Endowments

HOW CAN I START AN ENDOWMENT FUND?

To create an endowment, all you need is a minimum gift of $10,000 and a signed agreement.

An endowment is a permanent fund established for a specific purpose—for faculty, student or program support. The donor may name the endowment and specify use of its available income. Gifts to endowments, by cash, securities, real estate, or through a bequest, are invested to create a lasting resource that grows in perpetuity. Endowments generate a steady stream of income, while leaving the principal untouched. To discuss a named endowment as a lasting reflection of your belief in the University of Nevada, Reno, contact Bruce Mack, associate vice president for Development and Alumni Relations, (775) 784-1352 or bmack@unr.edu.
