**ENDOW A LEGACY**

Donors who endow a faculty position recognize that their gift will make a lasting and living contribution to strengthen the core of the University. The gift will help recruit leading professors, widening the University’s breadth of talent and securing a solid education for our students, who ultimately reap the benefits of such gifts.

A named chair or professorship goes on for as long as the University endures. It becomes a tradition unto itself, developing its character and reputation, not just for the donors, but for the faculty holders of the position.

**OPPORTUNITIES TO SUPPORT FACULTY**

**Dean’s Chair:** A dean’s chair will provide a holder of the deanship with the resources necessary to continue and further the college’s contributions to teaching, research and public service. The fund will be used for needs such as salary supplements, graduate student stipends, administrative assistance, travel expenses and other college requirements. The minimum gift is $5,000,000.

**Chair:** A chair will provide a distinguished scholar the opportunity to advance his/her research, teaching and public service through salary supplement and program support. The minimum gift is $2,500,000.

**Distinguished Professorship:** This professorship is intended to supplement salary and research expenses for distinguished scholars with significant research qualifications and research projects. The minimum gift is $1,000,000.

**Professorship:** A professorship recognizes and supports the teaching, research and service activities of distinguished teaching scholars whose research is emerging. The minimum gift is $500,000.

**Distinguished Visiting Scholar:** The distinguished scholar endowment is intended to fund a visiting, eminent scholar. The minimum gift is $300,000.

*Gift amount requirement may vary depending on area/discipline.*
